## Natural Hazard Mitigation Association

“Mitigation makes communities and people safer from disasters”

## About NHMA:

NHMA WAS CREATED TO BRING TOGETHER THE VARIOUS INDIVIDUALS AND ORGANIZATIONS WORKING IN THE FIELD OF HAZARD MITIGATION.

The Natural Hazard Mitigation Association (NHMA) was founded in 2008 with the following goals:

- To create a forum for professionals working in Hazard Mitigation to share their ideas and experiences.
- To establish Hazard Mitigation as a profession in its own right.
- To serve as a source of training and technical information to those working in the field.
- To function as a professional and unified voice for Hazard Mitigation managers in the public marketplace of ideas and the political arena.
- To achieve greater awareness of the social component of Hazard Mitigation decisions.
- To develop more effective mitigation programs which benefit the community as a whole
- To help ingrain Hazard Mitigation as a part of our communities' culture.

NHMA is organized as a Non-Profit Corporation under Louisiana State Law and has a fifteen member Board. Additional information, including the Articles of Incorporation, may be found at <http://nhma.info>

## What does NHMA Offer?

- Access to a knowledge base
- Community Learning Lab
- Facilitation of Dialogue
- Opportunity to Network
- Resources for continuity of Government Business and Community
- Public Information/Outreach
- Education to local policy makers
